

PLAYA PANAMA RESTAURANT GUIDE

ABBOCATO: Located on the Las Trancas Road inside Hacienda del Mar Casa Club. Specializing in Mediterranean, Spanish and Asian food this restaurant has one of the best ambiances in Costa Rica. Enjoy AMAZING Sunsets over the Pacifico Ocean; the perfect place to celebrate an Anniversary or any other special event; very romantic spot as well. Chefs Paola and Andrea really get it done. Call for reservations as it is almost always full. This is truly one of the nicest restaurants in all of Costa Rica. DO NOT come to this area without eating at this restaurant.

EL MANGROOVE HOTEL AUTOGRAPH COLLECTION: Right on the beach in Playa Panama, this boutique hotel by Marriott is a phenomenal place to enjoy a meal. They have indoor A/C seating and outdoor terrace tables as well, with picturesque views over their pool out towards Panama Bay. Great for breakfast, lunch or dinner, the service and quality is FIRST CLASS. They have two restaurants, which scream “come in please” and “stay a while longer” all at the same time. MAKOKO is elegant, inspiring, creative and contemporary cuisine, using the latest culinary tendencies. MATISS is the beach side grill with a landslide of flavors and a great place to people watch on the sand. One of my all-time favorites for brunch as well.

CASA CONDE DEL MAR HOTEL: I love this little hotel, located right on the sand in Playa Panama. The property has massive Guanacaste trees, creating a super cool canopy environment. The restaurant has a great selection of Local and North American food, but you just can't beach the location and feel. See the boats sailing into the famous Papagayo Marina right in front of your eyes; Great Sunset spot as well.
