COCO PALMS HOTEL: Just a block from the beach, next to the soccer field, this place doesn't look like much from the outside. But boy, are you in for a surprise when you go inside. They have a gorgeous pool and fountain, and the restaurant surrounds it. Coco Palms has some of the BEST SUSHI in Latin America, and a wide range of other dishes as well. If you go fishing, and make a nice catch, bring it to this hotel and they will cook it up for you and serve it with all the fixings, for a very reasonable price. They also have a 24 hour market at the hotel, so if you need late night stuff, this is the spot. A Massive wine collection as well! **3 ON DOWNTOWN MAP**

PAPAGAYO SEAFOOD: One of the oldest restaurants in town, it is a true classic. You sit upstairs, overlooking the town, so it is a great place to socialize and people watch. They have so much junk hanging from the ceiling; you never get bored checking out the décor. They specialize in Louisiana style seafood, with all the local catches; The BEST gumbo I have ever had, and a multitude of sauces to smother your fish. Lots of choices.

This is one of the more popular afternoon hangouts, as you can see all the families and tourists walking up and down the beach. The menu is all Tapas, or small appetizers, so you can order 2 or 3 things each and fill yourself up; everyone can have a taste this way; and the prices are cheap. SODA TERESITA: A true Soda, through and through. A Soda is a local Costa Rican restaurant that serves what is called Typical food. The most common is a Casado which means marriage in Costa Rica. It is a union of food in which it generally consists of a piece of meat (pork, chicken, fish or steak), black beans and white rice with a salad, and many times served alongside plantains and tortillas. YUMMY. Aroz con pollo or aroz con camarones is also a specialty; rice with chicken or shrimp and this place makes a good one. Olman, the owner, has had his restaurant for years and it is one of my favorite places to eat, as it is right on the beach in Playas del Coco. It is next to the soccer field, of course, as he is the coach of our local men’s team. A spectacular place for breakfast, as you can watch the wave’s crash as you enjoy your Gallo Pinto with scrambled eggs. Ask for either the Meat with Sauce or the Chuletas (small pork chops) and tell him I sent you. Make sure you ask for the Salsa Lizano, a local sweet sauce that goes well with everything; don’t be shy, dump it on! **10 ON DOWNTOWN**

CASINO BAR: Every once in a while, I just want to get out of the heat, and into the AC. What better place than the casino bar? They have 4 or 5 TVs that always have a game on, and they have a wonderful, but limited bar menu. The BEST chicken fingers in town and always good looking girls to flirt with. And heh; might as well try

your luck on the slot machines while you are in there. It could pay for your entire trip. **A ON DOWNTOWN MAP**

THE BALCONY: What a great spot to eat, drink and chill. Overlook the main drag and people watch, while enjoying some great local fare. Always a good spot. Next to Papagayo Seafood. **5 ON DOWNTOWN MAP**

IL GUSTO DELLA VITA (EL GUSTO DE LA VIDA): WOW, is all I can say. They have SPECTACULAR Italian food. Two brothers from Italy, who know how to cook, opened this little romantic spot in the Coco Retail Plaza next to Coconutz Sports Bar. Try the Calamari Pipien; Breaded and stuffed with raisins, pistachios, black olives and garlic. The Rissotto Al Fumo Rosso is also amazing; smoked cheese with red radish. My personal favorite is the Fettuccine Alfredo Sea Food. This place is a MUST visit. **C ON DOWNTOWN MAP**

<https://www.facebook.com/pages/El-Gusto-De-La-Vida/1380005532220628?fref=ts>

SODA JARDIN TROPICAL: Just half a block from the beach, this is a great place for some local grub. DON'T underestimate the little guy. He has wonderfully fresh Typical Style plates, at very inexpensive prices. **E ON DOWNTOWN MAP**

The Garden Bar is a super chill spot, with tiki torches and a massive drink menu. Regular spot for live acoustic music and Flash Back Movie Night. The home of the Taste of the Papagayo and Octoberfest. This spot regularly hosts some of the top music acts in Costa Rica, as they have a massive stage, Rock Star Style. The restaurant has an amazing choice of various dishes. A MUST visit! Turn on beach road, go 2 blocks, turn right. **B ON DOWNTOWN MAP**

PIZZA NONNA RINA: Sells it by the slice if you just want a couple pieces as you shop. At the food court on the main drag of Coco. **F ON DOWNTOWN MAP**

TASTE OF TEXAS BBQ: This little kiosk located in the Food Court of the Coco Beach Hotel on the main drag, has one of the largest selections of Burgers anywhere. In my opinion, they have the BEST chicken sandwich in town, which I actually ordered by accident one day: a mistake that I repeat on a regular basis. **Q ON DOWNTOWN MAP**

COCO STREET FOOD: As you would expect in Latin America, there are always a couple people cooking food on the side of the road. Late at night, after a few too many drinks, a chicken or beef skewer just seems to hit the spot. Now this is living!!!!

JIMMY'S BURGERS: The original burger shack, Jimmy's has been here for 20 years. They are open SUPER late, so if you are out on a binge, this should keep you going. **i ON DOWNTOWN MAP**

COCO PALMS MINI MARKET: Located right next to the soccer field near the beach, this is much more than a typical 7/11. It has a phenomenal selection of wines, one of the best in the area, and just about everything you might possibly need. The best part: it is open 24 HOURS A DAY. I use this place the most, early in the morning, when the grocery stores haven't opened yet. Many times I am going fishing or on an excursion and need beer and ice for the day at 6 or 7 am. Or late at night, for that midnight snake, since most of the bigger stores close at 8 or 9 pm. **N ON DOWNTOWN MAP**

UPTOWN:

CITRON: Located in the PACIFICO retail village, across from RE/MAX OCEAN VILLAGE. This is considered by many, the nicest restaurant in Playas del Coco. They have an Air Conditioned interior seating, as well as a gorgeous outdoor patio area, so depending on the weather, you can visit anytime. The Master Chef has created a very unique specialized menu to satisfy the most demanding customers. They have everything from fresh salads, to WOK: a wide range of fish and chicken dishes, and one of the BEST steaks you will ever eat. Save room for dessert!!!! **1 on UPTOWN MAP**

HARD ROCK CAFÉ: Sometimes you just want good old Rock n Roll baby, and this is the place. For some reason, I never get tired of listening to 80's hair bands LOL. This is definitely a place you have to check out before you leave. They have all the memorabilia hanging on the walls that you come to expect from the franchise, and the famous HRC menu that has made them famous, but they also have a bunch of local flavors as well; the BEST fajitas in town. A massive drink list, allows you to unwind in the A/C after a hot day at the beach. SUBWAY: Yup! Coco has a SUBWAY franchise, and it tastes exactly like home. Sometimes you just want a good reliable sandwich, especially if you are traveling with kids. One of my secret pieces of advice: order a couple sandwiches TO GO on the day you leave. You are allowed to take food through the metal detector at the airport and on to the plane. This way you don't have to pay the exorbitant prices for food at the Liberia airport before you board. See the eyes of your fellow passengers explode, when you take a bite out of your BMT sandwich as they suffer through a bag of peanuts. **10 ON UPTOWN MAP**

Across from the Hard Rock Café, this place has a MASSIVE selection. YES, the grocery stores sell alcohol, but they usually are limited in their stock. This guy has EVERYTHING and at very fair prices. OPEN LATE for those of us with a drinking problem.
